

Block Placement Trainer's Review

This review is submitted to the FES Co-ordinator within four weeks of the conclusion of block placement, along with the Learning Goals and Student Report.

This review should be discussed with the student as an important part of his/her reflection on and learning from placement. It is also part of the basis for the student's assessment.

Comment on the student's main strengths which you observed during the placement.

What areas could the student develop further? Do you have suggestions of how that should be done?

Are there areas of suitability for ministry, ministry skills or godliness which require urgent attention by the student?-

We have discussed this report.
